THE Fun Pass 2010

Want to make special family memories that won't break the bank? Let us help!

For just \$25 you will receive incredible discounts through coupons you will really use! Beat winter vacation ho-hums with great ski savings. Spring into better weather at a petting farm. Feeling cultural? Hit a museum, go see a play. The choices go on and on.

You really will save close to \$1,500 in discounts at over 100 fantastic New England family attractions. Each coupon is 100% useful at great spots where you and your children (or grandchildren) can make happy memories together.

In most cases, the discount coupon offers a child, 12 and under, a free or discounted admission when accompanied by a paying adult. Offers vary by attraction.

When you purchase a Fun Pass you are also contributing to the critical work of Breathe New Hampshire. We are committed to helping New Hampshire's residents breathe better and longer. We fulfill our mission through public awareness campaigns, asthma education, tobacco prevention and cessation programs, advocacy efforts, and research.
